<i>Silver Brushed (on White)</i>	N/A					
<i>Gold Brushed (on Black)</i>		£39.94				

****(C.H.I.P.S.) Clear High Impact Polystyrene Sheets**

This material is suitable for vacuum forming as it overcomes some of the problems associated with moulding GP styrene, i.e. brittleness.

The formulation has been modified to provide toughness with clarity and ease of moulding

Acrylic Sheet

1.5mm to 12mm thick, available in coloured and clear.

Please ring for prices

Clear PVC

(546mm wide on the roll)

£3.50 per kilo (please state weight required when ordering)

The following thickness all available -

0.2mm, 0.250mm, 0.375mm, 0.5mm
